PREMIUM WINES

CHARDONNAY

190

Medium to full-bodied wine with a moderate acidity. Range from apple to lime and pineapple. Also shows notes of vanilla due to oak ageing.

CABERNET SAUVIGNON

185

Considered the king of red wines - ours certainly lives up to this regal reputation. Full-bodied, soft tannins with rich, dark berry flavours, warm spices and a hint of lingering vanilla.

WHITE WINES

SAUVIGNON BLANC

85

Tropical flavours in balance with crispness and fruitiness on the palate makes this an excellent and easy-drinking wine.

ROSÉ

79

A blend of Sauvignon Blanc and Merlot, which gives the wine a delicate salmon-pink colour. The primary flavours of this Rosé are fruit with a tantalizing candy floss finish. On the nose you will pick up floral and caramel notes.

SPARKLING

105

A vivacious blend of Sauvignon Blanc and Merlot, brimming with fruity flavours. On the nose, there is an alluring mix of fresh strawberries and red berries, inviting you back sip after sip.

GRACIOUS LADY

195

Beautifully structured, without being over complicated. Our flagship Cabernet, Merlot, Shiraz blend offers dark berries and wood fired aromas with a rich colour showing its subtle intensity.

RED WINES

PINOTAGE

90

A modern style pinotage true to South Africa. With a fruity spectrum of blackcurrant, mulberry and chocolate on the palate, complimented by a smooth lingering aftertaste.

SHIRAZ

96

Lots of black pepper, pencil shavings and smokiness on the nose continues through to the palate - making this Shiraz true to its cultivar. You will be pleasantly surprised by the intense and full rounded mouthfeel of blackcurrant spices and fynbos. Soft firm tannins add to the perfect experience.

MERLOT

105

Plenty of herbs and black cherries on the nose, with forest floor flavours on the pallet. It is a full-bodied wine with soft tannins and smooth acidity. A hint of peppermint on the aftertaste.
